Pen and Link *Cursive Class*

Learn Cursive to Help with Spelling and Writing!

Cursive provides a language link that can help build writing fluency. This class will introduce cursive writing skills, using sight words to help students develop the flow of handwriting that will carry over into spelling, writing, and reading. Handwriting that is automatic will free up working memory; handwriting that is legible gets better grades than difficult to read writing.

Six sessions for existing students are FREE!
